First Four Events of 2010 were a Great Success!

- **January** 's "Tax Assessment Forum" was a joint venture between the Rochester & the Lake Pointe Chapter. We nearly filled the MCAR Auditorium!
- **February**...we had two events...a "New Member Mixer & Wine Tasting" ...we had approximately 100 attendees & enrolled 11 new members! It was a great time to mix & mingle with our community of Realtors & Affiliates. We also held Continuing Education...instructor Jack Waller was FANTASTIC!
- **March**'s program was a mortgage forum. Local lending experts shared great information on new programs & gave answers to problems we are having trying to close deals. Dave Howarth of Armstrong Appraisals also spoke...he had GREAT information...the questions & *answers* just kept coming!

2010 REALTOR & AFFILIATE OF THE YEAR RECIPIENTS

AND THE WINNERS ARE.....going to be announced at the 2010 golf outing. Unfortunately, the two winners were unable to attend the State's ACHIEVE Meetings in January at the Book Cadillac Hotel. So, we are holding the awards until the Golf Outing so our Recipients can have the audience & receive the accolades they deserve!
